

Patient Companion Checklist of Competency Evaluation

Patient Companion's Name _____

Date _____ RN Supervisor _____

Your evaluation of Northwest Clinical Registry personnel is very important. Please take a moment to complete and forward this form to: **PO Box 772, Albany, Oregon, 97321, FAX (541) 928-7303**, to assist us in continuing to maintain JCAHO standards and provide you with quality staff. Thank you.

Duties of the Patient Companion are to provide constant observation to patients who are confused, at risk for causing injury to themselves or others, or behavior is unpredictable or difficult to manage.

**CODE: ES=Exceeds Standard
MS=Meets Standard
DNMS=Does Not Meet Standard**

	Patient Companion Duty	ES	MS	DNMS
